San Quentin's Message
to Attica

Attica, N.Y.

The telegram taped to
a wall at the front
entrance to Attica prison
read:

"Our hearts are with
you. Our motto is 'We
have just begun to fight.'"

The telegram was sent
on the first day of the
riot to guards at Attica
from corrections officers
at San Quentin prison,
where an escape attempt
last month took six lives.
