## Conspiracy Charge on Magee Out

The conspiracy - kidnap-murder trial of Ruchell Magee became the kidnap-murder trial yesterday.

Superior Court Judge Morton R. Colvin dropped the conspiracy charge on a motion by Assistant State Attorney General Albert W. Harris Jr.

Dismissal of the charge, Harris said, "would shorten the trial considerably."

All the charges stem from the abortive Marin Civic Center escape attempt which left Marin Superior Court Judge Harold Haley and three others dead.

Dropping the conspiracy charge was viewed as a logical move, since Magee's alleged major conspirator, Angela Davis, has been acquitted of the charges.
