

## CIA ACCUSED OF MY LAI MEDDLING

Ft. McPherson (Ga) - (AP) - Attorneys for two soldiers charged in the alleged massacre at My Lai have drawn the Central Intelligence Agency into the case.

.....

Yesterday [Attorney George T.] Davis said the CIA is conducting a well organized and highly secret campaign to destroy the credibility of his client [Spec. 4 Robert W. T'Souvas] and the other 11 men accused in the case.

Davis made the comments in a telephone interview in connection with the arrest Tuesday of T'Souvas by a Georgia State Patrolman in Atlanta and charged with illegal possession of marijuana.

Less than two weeks earlier [Sgt.Esequiel] Torres, 22, [another defendant,] was charged with firing a rifle illegally in Brownsville, Texas.
