Plea on Hughes Dismissed

SALT LAKE CITY, Feb. 25

(UPI)—Federal Judge Aldon Anderson has dismissed a defense move to discover whether Howard R. Hughes, the billionaire recluse, still is alive, and, if so, where he lives. Judge Anderson, who is hearing the \$9 million suit filed by the Hughes Tool Company in 1972, said that court documents listing the Hughes address as Houston, Tex., with his whereabouts as the Xan du Princess Hotel in the Bahamas were sufficient.
