

## Wallace Running For Third Term As Governor

### Montgomery

George C. Wallace, announcing his candidacy for a third term as governor of Alabama, hinted yesterday that he hopes to exert his influence in the 1976 presidential campaign.

He refused to say whether he will run for President again.

The partially paralyzed Wallace told a noisy crowd of followers that he is "as well physically as I have ever been with the exception of being able to walk." and promised to campaign actively for the Democratic nomination for governor.
