Hunt (at the suggestion of Paul O'Brien, CRP) had tried to get in touch with Colson, who refused to see him; meets today with Colson's partner, David Shapiro. Repeats to him what he had told O'Brien on an earlier occasion (no date): that he is in need of money, and that he had engaged in what he had described to O'Brien as "seamy activities for the White House." Makes it clear to Shapiro that he needs the money prior to the time he is sentenced (23 Mar 73); before that date receives \$75,000.
