- Also accompanying Nixon, Rose Mary Woods, Steve Bull and Paul Keyes, former producer of television show, "Laugh-In." "As the President flew south [today], [Haldeman and Ehrlichman were busy testifying before a federal grand jury in Washington. ~~Both~~ Never before have men so close to a President been grilled by a criminal grand jury."

- "Veteran observers were surprised at the meager size of the turnout [to greet Nixon on his arrival in the afternoon], for it is easy to turn out platoons of government employes, military personnel and dependents at a defense establishment "

- "Julie Eisenhower ... had canceled midwest travel plans to be with her troubled father, at least during picture taking sessions here."
