Julie and David Eisenhower (court appearance?) - Judge Harold H. Greene ~~signs~~ of D.C. Superior Court signs order for the Eisenhowers to appear before him 26 Nov, to determine whether they should be ordered to serve as defense witnesses in a Miami criminal case involving an alleged acquaintance, James A. Gokey, also known as Alan Durham.

Gokey is charged with forging a \$4 million check and is to be tried in Miami in December. His lawyer, Florida Public Defender Phillip A. Hubbard, has filed an affidavit with Judge Greene saying the Eisenhowers have known Gokey since 1970, at some time this year were his guests aboard a yacht in Fort Lauderdale, and "can testify as to those meetings and thereby establish the defendant's state of mind."
