Nixon (television intv?) - NBC News announces it has withdrawn from negotiations for the exclusive television rights to Nixon's memoirs, the termination being by "mutual agreement" because Lazar "was entering discussions with others who evidently were prepared to pay more for the rights and might be more compatible with [Nixon's] wishes."

WXP: "Wald suggested that inclusion of background film on the Watergate story in the proposed NBC version of the memoirs, as well as Lazar's reported \$750,000 asking price ... were the stumbling blocks in the negotiations."
