

Colson Denies Any Watergate Involvement

Washington

Charles W. Colson, former special counsel to the President and now a lawyer for the Teamsters Union, denied yesterday that he had any knowledge or involvement in the Watergate affair whatsoever, adding that a lie detector test he took in April "accurately reflects that."

"I have no knowledge or

involvement in Watergate in any way, shape or form, Colson told NBC after making a pretrial deposition in a Democratic damage suit against the Committee to Re-Elect the President.

Asked if anyone could have misunderstood his intentions, Colson said, "Absolutely not!"
