

The Secretary of the Senate Select Committee on Intelligence has received a letter from the Director of the Federal Bureau of Investigation concerning the activities of the Communist Party in the United States. The letter is being referred to the appropriate agencies for their consideration.

This applies to the Senate Select Committee which is investigating matters relating to the Watergate scandal and the current efforts which have been made to subpoena prominent former members of the White House staff of the former President.

You will please communicate this information to the Director of the FBI and the Attorney General. You or he should also personally notify the Chairman of the Senate Select Committee. You should further advise the Chairman that requests for information on procedures in the White House will be given prompt consideration when received by me.

Sincerely,
 R. L. Miller

The Committee on the Judiciary of the United States Senate has received a letter from the Director of the Federal Bureau of Investigation concerning the activities of the Communist Party in the United States. The letter is being referred to the appropriate agencies for their consideration.

Nixon's Ruling, Ervin's Reply

The letter to Secretary of the Treasury George Schultz, who has jurisdiction over the Security Service, President Nixon ordered Watergate that no former service agent may be employed or reemployed, observed or reemployed, or performing protective duties for Mr. Nixon or the White House. Later the White House advised

Sen. Ervin, Chairman of the Watergate Committee, that you will be receiving a letter from the White House concerning the White House reaction to the Watergate scandal, and the
