

3 Documents Missing From Cox' Office

WASHINGTON — (UPI)—
Three important documents
are missing from the offices
of Archibald Cox, the special
Watergate prosecutor, the
Washington Post said today.

The Post said a spokes-
man for Cox confirmed the
loss and said the documents
dealing with former admin-
istration officials Charles W.
Colson, Robert C. Mardian
and Harry Flemming may
have been mislaid and are
believed to be in the office.

The Cox offices are pro-
tected 24 hours a day by
closed circuit television and
burglar alarms on all win-
dows.
