**President  
should not  
resign: Dole**

TOPEKA (Kan.) — Sen. Robert Dole (R-Kan.), former GOP chairman, says President Nixon should not resign from office and that the House "should proceed without delay" to probe the grounds for impeachment to maintain Nixon's "right to due process."

In remarks prepared for the luncheon today of the Kansas chapter of the American College of Surgeons, Dole referred to polls reporting a decline in Nixon's popularity.
