Hartford Courant, in Shift,  
Urges Nixon's Impeachment

HARTFORD, Nov. 19 (AP)—  
The Hartford Courant, the na-  
tion's oldest newspaper of con-  
tinuous daily publication in  
America, changed its editorial  
view yesterday and called for  
the impeachment of President  
Nixon.

Noting that one month ago  
the paper opposed calls for im-  
peachment, The Courant said,  
"In the subsequent weeks,  
however, the whole situation  
has only become more muddled  
and confused, wracking and  
riving the country and the cit-  
izens to a point of complete  
distraction."

The editorial continued:  
"This has got to stop. The  
miasma enveloping the nation  
and the Presidency has got to  
be cleared up now without be-  
ing allowed to drag its weary  
length any further."
