## Tape Gap Report

Washington

A court-appointed panel, studying an 18½ - minute gap on one of President Nixon's Watergate tapes, will make a detailed report to Judge John J. Sirica tomorrow, it was announced yesterday.

Sirica's office said the judge would meet with two members of the six-man panel to receive a report on the June 20, 1972, tape recording. The statement said the report would not be made public immediately:
