Suggests Nixon Resign

A Republican candidate for the unexpired term of former San Francisco Congressman William S. Mailiard in next month's special election said yesterday President Nixon should give "serious consideration" to resignation demands.

San Francisco businessman Tom Caylor, whose candidacy was recently endorsed by the state GOP, said:

"Americans of all political persuasion are chagrined and disappointed by the moral tone revealed by the White House transcripts.

"The President has not adhered to the high moral standards we expect of one who holds the most sacred American trust.

"... the time has come for the President to make a truly courageous decision in the best interests of the nation."
