

High Court Blocks Order Forcing 'Impeach Nixon' Ad

WASHINGTON, May 13 (UPI) —The Supreme Court blocked today an order that would have required the Chicago Transit Authority to accept an "Impeach Nixon" advertisement for its buses.

Chief Justice Warren E. Burger took the same action on May 2, and the full Court supported his action today by a five-to-four vote, pending disposition of an appeal by a Chicago group called the "Impeach Nixon Committee."

The committee had asked the court to vacate Chief Justice Burger's action. Justices William J. Brennan Jr., Potter Stewart, Thurgood Marshall and Lewis F. Powell Jr. voted to do so.
