

# Nixon's Travels

## Washington

President Nixon's visit to Moscow now is scheduled for the last week in June but his hopes for a trip to the Middle East in early June have almost evaporated.

Officials said yesterday that a fairly firm agreement has been reached for the

## Moscow visit.

But they said that the failure to reach a Syrian-Israeli disengagement agreement at an earlier date has made it almost impossible to schedule a presidential visit to the Middle East in advance of the Soviet trip.
