Two 'Instant Paperbacks' On Resignation

By Dorothy McCardle

Two "instant paperbacks," accounts of President Nixon's resignation and what led up to it, have gone on sale.

Dell Books, in cooperation with The Washington Post, placed "The Fall of a President" on the newstands last week. The 256-page book includes articles which first appeared in a special section of The Post the day after President Nixon resigned. It was called "The Nixon Years."

Bantam Books, working with writers of The New York Times, has also issued an account of the aftermath of the Watergate scandal. The 432-page book is called "The End of a Presidency." It includes 64 pages of pictures and a complete chronology of the events which led to the Nixon resignation. This book also went on sale in major cities including New York, Chicago and Washington.
