Who Oppose The Pardon

Ellsworth AFB, S.D.

Two airmen have complied with an order to return to work after threatening to resign from the Air Force in protest of President Ford's pardon of former President Nixon.

George M. Lofton, 25, of Clarksville, Tenn., and Jerry R. Goss, 23, of Flint, Mich., submitted their resignations from the Air Force last week following Mr. Ford's announcement of the pardon.

A spokesman at this Strategic Air Command Base near Rapid City said Lofton and Goss were "informed that people don't resign from the Air Force until they have fulfilled their contract."
