Nixon Bar Resignation Accepted by Calif. Court

SAN FRANCISCO, Sept. 25 (AP)—The California Supreme Court today accepted former President Nixon's resignation from the state bar of California.

The brief order, signed by

Chief Justice Donald Wright, said:

"The Sept. 16, 1974, voluntary resignation of Richard M. Nixon as a member of the State Bar of California is accepted without prejudice to further proceedings in any disciplinary matter pending against him before the state bar should he again seek to become a member thereof."

This means that in the event Mr. Nixon should seek to become a member of the state bar again, any disciplinary matter pending against him could be reinstated.

The former President's resignation came in the form of a letter dated Sept. 16.

The state bar had voted to recommend to the California Supreme Court that it reject an earlier Sept. 11 letter of resignation.

Bar President Brent Able had said the resolution was adopted because Mr. Nixon had refused to acknowledge he faced possible disciplinary action by the bar.
