Justices Suspend Dean,
Disbarment Is Weighed

WASHINGTON, Feb. 24
(UPI)—The Supreme Court
suspended John W. Dean 3d
today from practice before
the Court.

The brief order said that
the former White House
counsel, who helped break
open the Watergate cover-up
and who is now on the lec-
ture circuit, would be required
to show cause within 40 days
why he should not be "dis-
barred from the practice of
law in this Court."
