MEXICO CITY, Nov. 24 (AP)—The Newspaper Excelsior said tonight it had evidence that Lee Harvey Oswald, accused assassin of President Kennedy, visited the Soviet and Cuban consuls here last September and tried to get a visa.

The newspaper did not disclose the source of its story, but said that it was from a "high official source." It said it corroborated the report and found that Oswald was in Mexico from Sept. 26 to Oct. 3. Oswald was shot to death earlier today in Dallas.

~~Excelsior~~ Excelsior said the story of Oswald's visit would be published in its Monday editions.

The newspaper said Oswald crossed the border at Nuevo Laredo Sept. 26, met with Cuban Consul Eusebio Azcuete the next day and requested a visa so he could travel to the Soviet Union via Cuba.

Excelsior said the consul told Oswald his request would have to be submitted to the Cuban foreign ministry for clearance, a procedure usually taking about three weeks.

At that, the story said, Oswald's temper flared and he left the Cuban consul's office, slamming the door.

On Sept. 28, the newspaper said, Oswald visited the Soviet consulate in Mexico with the same request. The newspaper said he said he was "a militant Communist, married with a Soviet citizen," and a resident of Russia for three years.

According to Excelsior, Oswald told the Russian consul that his marriage to a Soviet girl could be ascertained by calling her long distance in New Orleans, where she was waiting for him.

The consul was not identified.

Again Oswald was told that some time would have to elapse until his visa request could be cleared by the Soviet Foreign Ministry, possibly as much as three or four months.

Oswald had a bitter argument with the consul, the newspaper said.

The newspaper said that "investigations made in Mexico seem to point out that during his stay here, Oswald had no other interviews with high officials of the Cuban or Russian embassies.
