

B47DN

DALLAS, TEX., FEB. 5 (AP)-THREE DOCTORS AT SOUTHWESTERN MEDICAL SCHOOL TODAY EXAMINED GOV. JOHN CONNALLY OF TEXAS AND SAID THAT HIS RECOVERY WAS PROGRESSING SATISFACTORILY.

THEY WERE THE THREE PHYSICIANS WHO ATTENDED CONNALLY WHEN HE WAS WOUNDED BY THE SAME ASSASSIN WHO KILLED PRESIDENT KENNEDY NOV. 22 IN DALLAS.

DR. CHARLES S. GREGORY, CHIEF OF THE DIVISION OF ORTHOPEDIC SURGERY, SAID X-RAYS SHOWED THAT THE BOND FRAGMENTS IN THE GOVERNOR'S RIGHT FOREARM ARE HEALING SATISFACTORILY.

DR. ROBERT R. SHAW, CHIEF OF THE DIVISION OF THORACIC SURGERY, SAID IN A NEWS CONFERENCE FOLLOWING THE EXAMINATION THAT "THE CLEARING OF THE LUNG IS PROGRESSING AT THE EXPECTED RATE."

DR. TOM SHIRES, CHIEF OF THE DEPARTMENT OF SURGERY, SAID THAT ALL SOFT TISSUE INJURIES HAVE HEALED COMPLETELY.
