

Tippit's Son Charged in Dallas Rape

Dallas

Charles Allen Tippit, 20, a son of the policeman who was killed the day President John F. Kennedy was assassinated, was charged yester-

day with assault to rape.

Officer Tippit was slain as he sought to question a man thought to be Lee Harvey Oswald shortly after President Kennedy was assassinated

by Oswald.

Detectives said the alleged assault to rape occurred at an apartment New Year's morning.

The officers said a 30-

year-old woman left a party in one apartment and walked back to her apartment and that a youth followed her inside and forced her into a bedroom, where she was hit and her undergarments torn.

Minutes afterward, friend of the woman walked in and a youth ran from the apartment. Officers said Tippit's wallet was found in the apartment. *Associated Press*
