

**Villagers Appeal for Sirhan**

AMMAN, Jordan, April 28  
(Reuters)—Inhabitants of Al-Taybeh, Sirhan Bishara Sirhan's birthplace, have sent a telegram to King Hussein of Jordan appealing to him to help save Sirhan. He faces a death sentence for the murder of Senator Robert F. Kennedy. The telegram said that Sirhan "has done his best to serve the Arab cause and turn his trial into a trial of Zionism."
