**Sirhan Brother Convicted
Of Threatening Mrs. Meir**

LOS ANGELES, June 13 (AP) — Sharif Bishara Sirhan, 39-year-old brother of the assassin of Robert F. Kennedy, was convicted in a Federal court today of writing a letter threatening Israeli Prime Minister Golda Meir.

The sentencing was set for July 2. The maximum penalty for the offense is five years imprisonment and a \$5,000 fine. Sirhan was accused of making the threat in a letter to Secretary of State William P. Rogers last Feb. 18. The letter said, "The dead conscience, Russian-born Golda Meir, will be shot and killed . . . March 1." The prosecutors said the letter was traced to Sirhan through fingerprints.
