Government Autopsy Records Kept Secret .  
for 12 Years Prove Warren Report on JFK  
Assassination Is Wrong

by Rod Gibson

[Story on Weisberg obtaining documents  
from National Archives "after a 9-year  
court battle."]

"Incredible new evidence - published  
here for the first time ever - reveals  
conclusively that the Warren Commission  
was wrong and that Lee Harvey Oswald  
could not have been the lone assassin of  
President Kennedy.

"Top secret documents hidden for years  
in the National Archives show clearly  
that there had to be at least two gunmen  
- one behind the President and one ahead  
of him, says veteran Kennedy assassination  
investigator Harold Weisberg.... "
