

CUBA: CIA'S NIGHT CRAWLERS

... In the [N.Y.] Herald Tribune (June 7) [Barnard] Collier said:
"It is estimated that at least 500 Cubans in the Miami area get an average of \$300 a month from the CIA for doing everything from infiltrating local exile organizations to landing and collecting intelligence inside Cuba." This is in addition to the financing, training and arming of exile groups in Guatemala, Venezuela and Puerto Rico, among other places.
