Captain ROBERT KENNETH BROWN, The School Brigade, Fort Benning, Georgia, advised that he has been active in Cuba matters for several years and during the Spring of 1963, in connection with anti-Castro activity, he was in contact with the National States Rights Party in Los Angeles, California.

In connection with this, he contacted Dr. STANLEY L. DRENNAN, 375 Wendeview Drive, North Hollywood, California, who was active in the National States Rights Party. BROWN stated that once while a guest in Dr. DRENNAN's home, BROWN stated in general conversation that he could not do it, but what the organization needed was a group of young men to get rid of KENNEDY, the Cabinet and all members of Americans for Democratic Action and maybe 10,000 other people. BROWN stated that he considered the remark as being "crackpot;" however, as DRENNAN continued the conversation, he gained the impression that DRENNAN may have been propositioning him on this matter.

BROWN stated that he is a Reserve Officer and free-lance writer and has been to Cuba several times. He stated that prior to 1960, he was pro-Castro. He stated that he related his conversation with DRENNAN to STEVE WILSON, free-lance writer, Miami, Florida.

BROWN stated that he was again in contact with DRENNAN during the Summer of 1963 and DRENNAN revealed he had been interviewed by the Secret Service concerning his remarks.
