

Radio Cleric In Saigon To See Ky

Saigon

The Rev. Carl T. McIntire arrived in Saigon yesterday to urge Vice President Nguyen Cao Ky talist preacher is sponsor- to attend the Vietnam Victory Rally the fundamentalist preacher is sponsoring in Washington October 3.

"Ky is another Agnew," said the radio cleric from Collingswood, N.J. "He will out-Agnew Agnew."

McIntire said he understood Ky had agreed to attend the rally. But the vice president's spokesman said shortly before that that Ky hadn't decided yet whether he would go.

Ky announced last week he would go to Washington but later backtracked when it developed that the rally has no official backing from the United States government.
