Has copy of death certificate for Trayy D. Click issued by Jefferson City authorities. Father's name, Travy M. Click.

Also has clippings from Columbia Missourian and St. Louis Post Dispatch 13 Mar. 1967, both carrying AP story of the plane crash and carrying Click's first name as Trace. Apparently the AP reporter could not believe Trayy could be correct and changed it to Tracy.

Also has clipping from Dalias Times-Herald, 13 Mar., using brief story on Click plane crash, also using the name Tracy, not Travy.
