Dallas, Nov, 26 (AP)- The widow of President Kennedy's assassin paid a thanksgiving day visit to her brother-in-law at Wichita Falls, about 120 northwest of here.

Mrs. Marina Oswald had left Doctor's hospital Tuesday night after being treated a week for a stomach ailment. Her doctor declined to spell out what the illness was, but said she is "completely recovered."

"I think she is fine," a close friend said. "She has just been living under a great strain for the past year."

Mrs. Oswald went to visit Robert Oswald, brother of Lee Harvey Oswald, the assassin. The two have maintained a close relationship since the assassination Nov. 22, 1963.
