

1 Oct. 1967

Mike Cleary, KCBS, conducted an informal poll on his call-in program, asking listeners for their reaction to the following questions, the answers being registered automatically on two lines, one set aside for each question. (Program was not heard from the start, and do not know how much time was set for the answers to be registered.) The sense of the questions, repeated with slight variations, was:

	<u>Answer</u>
1) Do you agree with the Warren Commission's conclusion that Oswald alone assassinated JFK?	64
2) Does Garrison have a case? Do you believe there was a conspiracy?	221
