Will force Garrison to extradite him but then would go "because I think it's time the American people found out the whole truth about the Kennedy assassination." Denies knowing "anyone .. involved in the assassination or anyone ever mentioned by Garrison or anybody else." Edgar Eugene Bradley was charged by Garrison with conspiracy 20 Dec 67.

- 15 Apr - Jerry Cohen [LA Times 1 May 68] says Hall, after having denied knowing Bradley, "apparently now has retreated" from that position. In Cohen's paraphrase, Hall says his memory recently was refreshed about "events in 1963 and faces encountered."
- Appears before another Bakersfield judge today and is assured his previous testimony will not make him liable to a perjury charge.

- 23 Apr 68 - Involved in accident on freeway after someone had tampered with steering mounts on his car. Not injured; did not report accident to police "officially" but did tell two policemen he knew. [National Enquirer, 1 Sep 68.]
- 30 Apr 68 - In what Jerry Cohen [LA Times 1 May 68] describes as "a surprising reversal of position," says he has information which may support theory of a conspiracy in the assassination. Has been giving serious consideration to testifying before New Orleans grand jury. At his own request appears today before Gov. Reagan's legal affairs secretary "to protect myself in the event I do decide to go to New Orleans."
- 2? May - Will go to New Orleans to testify before grand jury. Says he addressed a meeting at home of Clinton Wheat, Los Angeles, 1963. Bradley was present and questioned him about his contacts in anti-Castro movement. Bradley denies he has ever met Hall or spoken with him.
- 5 May - Goes to New Orleans; spends 18 hours with Garrison and staff; no mention of testimony before grand jury.
- 24 May - LA Free Press carries Paul Eberle interview of Hall on his return from New Orleans (date of return and date of interview not given). Hall says Bradley, trying to get in touch with him without success, has left vaguely threatening messages. Hall gives no dates, but wording of story suggests this could have been before he went to New Orleans. (See item 2 Jan 68, above.)
- Describes other incidents, including Bradley having his lawyer call Hall's lawyer to ask if Hall "had remembered Bradley yet." No dates given for any of these incidents with the exception of one "3 to 3½ months ago" involving clippings from "Valley Mail." (See 24 Jan 68, above.)
