

2/22/71 Dear Jim, I don't plan to make any news in Memphis. I may, if there is the opportunity, do some shows, and I may be interviewed, but I will not seek any interviews. I will offer to background. I do not know whether or not there is interest in this. However, I am interested in any coverage of the hearing and, of course, if there is any mention of me or my book. I would like to be able to evaluate the reaction of the judge and the press, meaning with the first, the press reaction to the judge. There is no reason to anticipate any big play. I suppose there may be more on the regional wire, but that will not reach you. However, anything you see may interest me if it is no trouble saving it for me and then sending it.

Thanks, HW
