

1/12/71 Dear Jim,

Pub date for FRAME-UP is 3/10^(3/24) and there will soon be advance copies. Would you please ask Hal who still have shows in the Bay area, to whom advance copies should be sent, which may be likely to do me by phone, etc.

I do not know what promotional money there will be, how much travelling, if any, I'll be doing, and how many freebees there will be, so I'd like to use what I can get them to send, in addition to their own list, as effectively as possible. If there is any chance I'll be able to get out, I'll let him know. No pro ever did a better job than Hal.

I got a bound set of proofs today but haven't had time to look at them. Feels funny not having heard from Hal for so long.

Heard yesterday that Bradley (et al) are talking dirty talk, at least in the Bob Wells s.will. Haven't seen any.

Thanks and best,
