7/22/71. Dear Js, There has been what I think may turn out to be the most significant thing yet in a long, long effort. I can't go into yet, but it will mean a large reordering of my priorities. Remember the mellifluous biblical line, "Mine brothers entrusted unto me the keeping of their vineyards, but mine own vineyard did I not keep"? Well, I've gotten with their vineyards down and must clean up what I'd otherwise forget and get to weeding. It is, if I may be elliptical, almost as though the emperor, hearing the wisdom of the little boy, went out of his way to see to it that the little boy was right. HW
