

In your file of clips, do you have anything on Edward Voebel's immediate identification of LHO as of N.O., CAP, etc? I know it was on WDSU, don't know if printed. If you have these early clips, any other such CAP or other indentifications, esp. Fred. O'Sullivan, then and now N.O.P.D.vice squad and really the man who I now know recruited both LHO and Voebel into the CREC and at time Ferrie's death kidnapped probably gay Philip Geraci, with dep. sheriff Jeff. Parish. Confirmation by PG's mother in presence family lawyer, on tape. Has

Je time to transcribe any tapes if I can dub? I have this in particular in mind once I patch torn cassette. Several hrs long, so do not say yes idly. However, I will dub so you can hear not trans. if you'd like. Think I can patch cassette. Did once. This is why I discontinued 120s. I've asked man who knew KT if he showed necrophilia, int, science fiction, etc. Can't

consult Lifton, who even his last LA friend
seems to have abandoned as completely unprincip-
led, and his dedication to KT apparently derives
from his own ineptness, lack of perception and
understanding and above all, his own illness.
