7/28/72 Some time ago I sent you a clipping on the firing of a friend, Art Geiselman, by WBAL-TV (Hearst-owned). I saw him yesterday. They asked him to come back. He had been offered \$2,000 more elsewhere but decided he liked Baltimore. He thinks among the factors leading to recall is 200 Sun-unit signatures on a petition. Maybe, but I think what he didn't think of more likely. He took the traditional Press Establishment position. His reactionary owners/managers took the anti-Est. position and they found themselves in an impossible position. Art is also a good reporter + shop steward. Anyway, he doesn't have and would like this clip if you haven't thrown away. I don't presume you kept it. Sending to WBAI-TV, Baltimore, will reach him.

Not untypically for CTIA, the story I sent on Chotiner living within the questioned area (Caddy, grand jury) was wrong. He lives at Springfield, Va. However, what is more interesting is that Robert Mardian lives at 500 23 St NW, and that does fit. I think the Times carried this or it is unreported from the court papers. HW

When he saw the head on an Eagleton story a ChDaily News editor said it was wrong, should read "One Candidate Certified Sane". Larry thinks strike likely. And he has sent me a copy of The Parallax View, if you'd like dupe when it comes. He also got me the Vancouver Sun Gervais interviews, if you'd like. H
