Lt it provokes any thoughts and if you have time, I'd be interested in it afterward. I would be inclined to believe, assuming authenticity, that it was for a semi-permanent tenant or a moonlighting exployee or an employee with whom he could leave a message or have one relayed. Carlos doesn't live there and I don't believe he had his office there. HW 8/29/73 are identical with the last four digits of that day of Carles "arcello's Town & Country Motel. We will good stuff that it was worthless. He did not supply the complete number. The last four digits. They a number. He has provided only part, with an exaggerated deprecation, saying as he did in sending me I am staying out of touch with him and his, but Ray has given the lawyers what he promised me long ago,
