

On the extra WG hearings, would you please send to Ed Kabala NOV 17 1973
900 West End Ave., #9D, New York,
N.Y. 10025? Thanks. He is a young
layer good enough and fortunate
enough to have connected with the
Hays, Botein law firm, a fairly
prestigious one, specializing in
publishing law. (I can now get free
libel readers - his field.) He is a
new buff. He and his wife will be
here for Thanksgiving and then we
are going to the CTIA sessions.
Bright young man. HW 11/13/73
