

I'll be sending you a copy of the long Crewdson Sunday piece of 12/15/4 This is so you won't go to trouble and expense to get it for yourself or for me. In fact, I'll have a spare. After Howard said he'd make copies for both of us I received one today from my friend at Bantam. Eason made an indirect mention of WWIV in connection with what happens to the mail and I got an order by certified, return-receipt mail asking shipment by registered mail! HW 12/18/74
