

JDW, Further on my 3/11/73 comment on your 3/6 re Hearst:

NBC TV edited out less of Randolph's statement that his daughter did not participate in her own kidnapping and was not an SLA member. The part NBC used that CBS did not has him saying that all "kids" today are "liberals." He was saying his own daughter, too. Wise father? But being a liberal does not mean she is SLA or selfnapper.

Now do we know who Raznikov really is? Randy the PooHpooh?
