

I'm getting to the end of the accumulation of clips. On Hunt's trial testimony, have only WxPost 10/29,30, AP B wire 10/29,30, and Bittman stories, WxPost, AP B wire 11/5; plus TIME dated 11/11/74. Have you anything that adds materially to these?

I've also just read Tom Braden's attack on Cong. Holtzman as McCarthyite without reference to arbitrary 5-minute rule, making me wonder if he is of this bent of mind or if he serves others. It was an obscene column by any rational standard, coming from a "liberal." I think. MW 11/12/74
