

Where I send copies of letters
I'll retype and they are unclear
it is because the earlier copies
may be needed for court/suit use
and will save the cost of xeroxing,
sometimes a special trip to xerox.
If you ever want a clear copy of
these things that I think may be
of only minor and passing interest,
please let me know and I'll send.
Examples are these letters to ERDA
and Sec. Defense. HW 7/26/75
