

Sic transit dept: WxPost 11/30/74 story on Bob Woodward's marriage reminds me of the story Taylor Branch told me. Carl Bernstein and a girl friend were shackled up. Until All the President's Men lost its No. 1 spot on the best-seller list. That day she moved out. Until their agent, David Obst, got married recently, he and Branch lived together. The leave referred to in the story is for a follow-up book, also for S & S, \$300,000 advance. HW 11/30/74
