

Martinez & Barker Today Show 9/20/74 last segment
Harper's article issue on them and other WJ figures.
Mentioning that Barker felt in Ellis working for CIA.

On a CIA always CIA opinion from Barker's testimony. He says
only from principle and "look what the agency represents".

Martinez never CIA ordered an US mission. He said
they told him what he did legal through "not security".

He had been CIA 11 years & never involved from

This fact that what he did was illegal
a byproduct of only 5 minutes before Wacker - "to obtain
documentation regarding Daniel Ellsberg" - Barker
what he did. "The kind of documentation that a
spy does not has"

followed further principle - does not question of

Barker understood Mex. money to support
operations

Support money - "very little" part part, non receipt
through committee of funds - but for us? to show that
was official money.

Martinez said he did make 350 CIA mislaid
into Cuba after Castro. Did not bring own mother
& father out. They said here.

Barker - key on pardon "for the best interest of
the country" over

Must say will not ask for pardon - had no
concerned interest

"The only thing that I want is to clear my name"
