

Buckley, Tom ("Ear Jack")
FBI to 6/30/74 ~~his~~ ~~year~~ Kenneth B West 10/9/73 Edmiston 20
Nunnally of the Home Educator

Tom to OED - appointed by Reynolds - "Implications" and "non-compliance" to 6/30/73 when he retired

met Len Riety 1/67 when he was asked to summarize records and memos. Len Riety says he had from Riety then in the "year" for CREEP, & to write number campaign by Plan for spying. Buckley later gave him a plan book on a memo saying HTH got her tax aids.

got a semi-retired car driver, with Riety approve & returned to Justice Department to give memo in public & who he with held. The memo in private E/Mer by WTT, Buckley noted office of 1026-1720 to see he copying get license photographic equipment 10/22/71. Also "get Jack Kent". That Hunt did not trust each other! He had he seen was what was sent from & to by

& Murkin's office. Analyzed what was useful for further spying, like it means, plans, instructions drafts of memos & info

got \$1,000 a month but this left nothing for him, after paying all costs. Would he do it again? "I don't think I'd do it for a while."

Riety said they didn't even know where Murkin's job were. met WTT when he had FBI, to get caught on gambling raid, they then got to be friends.

Reorganized Home - when picture was in paper. He knew him as W. W. Did not think of going to authorities, FBI. Saw in "connection" reviewed with Dennis Leonard. Take "Lauryn - clear" no questions - not even explain

drawn by Thimble, who just in ad

Does nothing wrong with what he did, no violation of which act / is corrupt has
need it), Aguado is normal in that way of that by reference, perhaps

Lemond + Aguado - clients - besides? - not Cambridge in 1969

Did not account in income tax if not illegal he had do include as interest

should be expenses. He did not see equipment which he kept.

He is worst guy he ever of worst years of the 1960 campaign - Nixon - JFK? Bonds
like Nixon instead

But was spying + stealing at his meeting committees, 1960s, etc, not, he says
