

Newton's biography - Next meeting
C.B.S. at 7. m. to meet 7/16, not meeting in his home &
hosted in opening news item, which it was. With opening theme of
commercial effort, Headlines. This first meeting was to select their
list of these things were over at 7:00, followed by a "Breakfast with
C. W. Strode", an interview with a former San English man.

The treatment of the fact did not include a single reporting
of any of the unmeasured expression of congressional outrage, some of
which were similar to Strode speech. Consistent lies & falsehoods
as Strode Johnson calling it a police - State Money station
(Strode to N.B. Trotter at 7:17 a.m. - "I cannot guess away
Anderson to C.P.S. interview (7:18). In how it will all go ~~together~~.
First ref - Anderson to me - "He didn't say anything about his

first visit to Wilson House from 7:22

7:40 Today had Strode & Talmadge, a meeting that scarcely made up the
triping is questionable. Talmadge states: "The only evidence our committee has
so far have the President sent is the testimony of John Dean" "Incomplete in what"
in intent, knowledge of a cover-up only, the list of the names of wrongs.
Both agreed that if the papers do not support Dean, "then they

should be given. One of the best "for me" words.

Despite last night's slow service announcement that the White House had not yet received a copy of the types, Gurney says they are still being under secret service control, thus safe from disclosure in West Virginia.

But the fact is that Gurney would be an "accident" easily managed, of individual needs or of all of what must be an enormous ~~host~~ of one.

8 A.M. NBC Today news: imminent return of headline critics calling for my authoritarianism. Blame first winds, "these are days of contempt" in Congress this morning "over the budget." Rightly so, Gurney says "we may be a good thing," but "I do think it would be better to have it generally known" then Brooke unconditionally, probably unknown. Johnson - modest, rules of decency. Paul subject says this will be the "most important period since"
